### CAMPAIGN UPDATES

- **Thank you** to all of the medical staff who helped to kick off our 12 days of Christmas social media campaign and a thank you to Dr. Kostamo who took a plunge into Deer Lake and pledged to donate \$100 for every second that he could last swimming in the icy cold water.
- **Message from Burnaby MSA President:**  
*On behalf of the Medical Staff of Burnaby Hospital, I am thrilled with the upcoming Redevelopment at our site. I am equally moved by the Foundation's campaign efforts to raise \$12 million already.*

*Yet, there is \$18 million more to raise, and the medical staff can help.*

*Donations by medical staff serves two purposes:*

- 1) they directly contribute towards the goal and*
- 2) they indirectly inspire the community partners to consider donations*

*I truly believe that our medical staff can attain a joint donation goal of \$1 million within 5 years.*

***I humbly ask that every Burnaby medical staff member consider donating at least \$1000 per year x 5 years.***

*With at least 200 medical staff pledging, we will attain our goal.*

*Our orthopedic surgeons have led the way with a \$40,000 pledge, followed by the emergency physicians with a \$60,000 pledge in support of the Redevelopment Campaign.*

*Talk to your group and consider assembling members of your department to contribute to a department goal. Together we can make our future brighter and inspire others to do the same.*

*Sincerely,  
Dr. H. Paul Johar, Burnaby MSA President*
